

Mr. Powell, I am writing to state that I am opposed to the June 2 approval of the rule change concerning media ownership. I am greatly displeased at what has happened to our radio waves after the last rule change and I don't want to see that in other forms of media. I ask that you reconsider and allow for a public format for debate on this issue. Democracy is something that I teach to my civics students each day, urging them to vote and make their voices heard. But that is only possible when we are given avenues to do so. Listen to the American public!
